PRESS RELEASE FOLLOW-UP

9/29/08

Following their introduction in the Akillian gallery, the Milton Art Museum is pleased to now include its' collection of signed, limited edition prints with our on-going display in the Administration Wing of the Canton campus. The prints have been installed along the walls by Rm. 102 to 107 and into the corridor across from Student Services.

Master printmakers like Warhol, Matisse, Miro, Labadang, Leger, Motherwell, and Magritte are joining the permanent collection for the first time since 2003. This entire collection of prints were gifted to the Milton Art Museum in the 1980's by one man, Dr. Leonard Ravich, who was a prominent Milton resident and avid art enthusiast. We are thrilled to bring them to the public once again.
