## Massasoit's 8<sup>th</sup> Annual Arts Festival at the Canton Campus

Sunday, May 21, 10:00 AM to 5:00 PM, Rain or Shine. Exhibits include the Regional High School Art Competition showcasing Blue Hills Regional, Canton, Randolph, and Stoughton students; the Annual MCC Students Juried Show in the Akillian Gallery; and the Open Juried Show under the tent. The "Our"Story: 400 Years of Wampanoag History exhibit returns courtesy of Plymouth 400. Tour the Milton Art Museum and the George Georgacopoulos Honor Garden in early bloom.

Alex Eaves, reuse expert and filmmaker joins us along with his transformed box truck. Alex and former HGTV tiny house builder Derek "Deek" Diedricksen have teamed up to turn a box truck into a mobile reuse education center and living space. With a focus on sustainability, we're pleased to introduce the *Up-cycled Art* exhibit exclusively by Massasoit's students, staff, and faculty, and Printmaking with a Pasta Machine? You'll want to give this a try.

Attractions also include fine art crafters indoors and outdoors, plein air painters, live music by the Bright Moments Band, and singer/guitarist Garry Coole. A traditional hand drum exhibition will be performed by a citizen of the Mashpee Wampanoag Tribe. Food service by Peppercorns Café & Catering of Stoughton, face-painting, a bouncy house and lawn games, kid's art activity tent, and the always popular giant steamroller printmaking and ceramics studio demonstrations.

Visit the raffle tables where a portion of the proceeds help fund the Arts Festival Merit Scholarship, and the visual arts department.
