

Emmanuel College  
And  
Massasoit Community College

Based on the mutual concerns for the needs of students pursuing the Bachelor of Science Degree in Nursing, and in an effort to provide a seamless mobility program that builds on prior learning, the following are agreements to which we mutually subscribe.

- Students who have fulfilled the learning outcome objectives and have successfully completed graduation requirements within Massasoit Community College for an Associate Degree in Nursing will be awarded 72 credits at Emmanuel College. Additionally, Massasoit Community College graduates can request transfer of two additional General Studies courses (8 Credits) as follows: Writing for Nursing Professionals, Statistical Applications for Nursing Professionals, Theology/Religious Studies and Humanities. Students must receive a grade of C or better for courses to be transferred.
- Applicants for credit transfer must submit an Emmanuel College Application Form, transcripts from associate degree and all other accredited programs attended, and evidence of current Massachusetts RN licensure.
- The Massasoit Community College Nursing Program agrees to notify the Emmanuel College Department of Nursing of any significant curricular changes during the time of the agreement. In instances where significant changes have been made, Emmanuel College will initiate a review of the curriculum to ascertain the validity of transfer credit.
- The mobility agreement is retroactive to the original date of enactment between Massasoit Community College and Emmanuel College.
- This mobility agreement will remain in effect from January 1, 2016 to December 31, 2025.
- The mobility agreement may be terminated or renegotiated at the request of either institution. However, due protection must be given to students previously enrolled, under the terms of the original agreement, at either institution.
- This agreement will be considered void in the event that the participating program is no longer accredited.

Signed in good faith by the representatives of Massasoit Community College and Emmanuel College who agree to the terms herein.
