Dear Prospective Students,

Thank you for your interest in Massasoit Community College. With campuses in Brockton and Canton and our newest location in Middleborough, our students now have even more access to local, affordable, higher education. Massasoit Community College has over 50 degree and certificate programs and a variety of scheduling options—day, evening, weekend, and online, to meet our students’ needs.

At Massasoit, we are committed to access and opportunity for all our students. We provide small class sizes to allow for individualized attention. We also provide academic support, counseling, and advising to help our students reach their goals. Massasoit students are actively involved in one or more of the wide variety of extracurricular clubs, activities, and athletic teams that celebrate the diversity of our community. We want our students to have exciting and active lives both inside and outside the classroom.

Low cost is one of the major benefits of attending community college; this allows students who may not have had access to higher education an opportunity for an excellent education. Our financial aid staff is committed to working with you and your family to ensure that every student who wishes to become part of our educational community can do so.

It is truly an exciting time for Massasoit Community College! We continue to explore and initiate new and innovative program opportunities and partnerships. We are upgrading and expanding our facilities in a variety of ways. You have chosen an excellent time to join us. As you explore our offerings, I invite you to speak with our admissions staff. You can also visit our campuses at any time to meet with advising, faculty, or students, to gain a better understanding of the experience we offer.

I also invite you to learn more about us through our website www.massasoit.mass.edu. The site allows you 24-hour access to admission information, program information, course descriptions, financial aid information, and current happenings at the College. I encourage you to consider a Massasoit education as your next step toward greater personal and professional success!

Selective Admissions Programs

The open enrollment policy does not apply to “selective admissions” programs of study which may have specific deadlines, prerequisites, and other admissions criteria. All applicants must submit a completed application form, official high school transcript certifying date of graduation or an official GED transcript, and all official college transcripts. Applicants must submit a letter of reference and a letter of interest. Applicants must attend an information session. Most selective admissions programs require an extensive science background which may include college level Biology, Anatomy and Physiology, and Microbiology. Priority consideration will be given to applicants who have successfully completed prerequisite courses with a grade of B or better and all applicants will be scored using a rubric.

Please contact Admissions for current selection criteria or visit the Massasoit website at www.massasoit.mass.edu.

For students looking to take prerequisite courses for any of our Selective Health Care programs, applying to the College as a Liberal Arts Transfer - Science student first is a great option.
**Student Support Services**

**Academic Resource Center (ARC)**

The Academic Resource Center (ARC) offers a full range of tutoring and academic support services. Individual and small group tutoring is available in most subject areas by appointment, and walk-in tutoring is available in several subject areas such as mathematics and biological sciences. Appointments are strongly recommended. Within the Academic Resource Center are the Writing Center and World Language Center which provide tutoring for reading and writing across the curriculum and for ESL students. Faculty, professional, special needs, paraprofessional, and student tutors work together to help students become more effective, independent learners. Students are encouraged to use the ARC, Writing Center and World Language Center as places to study, either individually or with classmates.

For more information please call: (508) 588-9100, ext. 1801.

**Disability Services**

The goal of the disability service providers at Massasoit Community College is to facilitate equal access to postsecondary education for students with disabilities and promote the standards set forth by the Association on Higher Education and Disabilities. Upon acceptance to the College, students with documented disabilities who require support services and/or accommodations are given the opportunity to identify a disability. As soon as possible, students are encouraged to contact one of the disability service providers and self-identify. It is recommended that students schedule an appointment to meet with the disability provider to discuss the need for specific services and accommodations and bring the appropriate documentation with them to the meeting.

For more information please call: (508) 588-9100, ext. 1801.

**Did You Know?**

All student support services at Massasoit are free.

“While at Massasoit Community College I became involved in Dramatikos, the student drama club. I have performed in a Broadway Revue, ushered for the Massasoit Theatre Company productions and did a volunteer performance at St. Joseph’s Manor as part of our club’s community service project. By being an active student on campus, I have formed fantastic relationships with many professors and students!”

**LATCH**

*LATCH* is an academic support program that assists a variety of students. The most common is the first semester student in school looking for help adjusting to college generally and for help in reading, writing, or math skills specifically. *LATCH* courses are identical to those offered throughout the College.

*LATCH* offers

- Tutoring on a “drop-in” basis
- Counselors who are experienced at helping a student choose the right courses for that individual
- Individual interviews with counselors at least twice during a semester
- Workshops designed to help a student with such things as identifying a learning style, finding an appropriate career for choosing a major course of study in college

*LATCH* services are also for adults who have been away from school for several years, students who have not maintained good academic standing, students needing emotional support to succeed in college, students referred by high school guidance counselors, special needs students with academic potential, students needing to develop academic skills and community agency referrals. For more information please call: (508) 588-9100, ext.1070.

---

**Plan**

The **PLAN** Program is a TRIO Student Support Services Program funded under a grant from the United States Department of Education. **PLAN** stands for the Proactive Learning Assistance Network. The goal of the program is to assist students with their academic and personal needs by providing an array of comprehensive support services. The potential benefits of these additional services include better grades; improved chances of graduation; assistance with transferring to a four-year institution to obtain a bachelor’s degree; more defined educational and career goals; and an enhanced academic experience. The Program is designed for students who have the academic potential to succeed but whose background and/or extenuating life circumstances place those students at additional risk of not fulfilling their educational goals.

For more information please call: (508) 588-9100, ext.1061.

---

**Choices**

**CHOICES** is a program specifically designed to serve and meet the needs of Transitional Assistance recipients. The program offers academic and vocational college level courses, personal support and academic advising, assessment and career counseling, and workshops in personal skill development. CHOICES offers students a supportive educational environment to increase self-awareness, enhance intellectual growth and develop vocational strengths.

For more information please call: (508) 588-9100, ext.1316.
**BOOKSTORE**

The campus bookstore is a Barnes & Noble college bookstore with a physical location on both the Brockton and Canton campuses. You can buy, rent or order textbooks online or in-store. Show your Massasoit pride with various apparel, souvenirs, and other merchandise.

**CAFETERIA**

The Massasoit Food Service offers a full service cafeteria on our Brockton and Canton campuses. We continue to increase healthy options and environmentally friendly products such as fresh made salads, daily grain options, soy milks, reduced fats, more whole grains, healthy candy and snacks, and gluten free options. Ninety percent of the service paper products in the cafeteria are compostable. We offer a full meal option during the academic year, as well as grill foods, soups, pizza, and made to order sandwiches and salads.

**GYM/POOL/WEIGHT ROOM**

Housed in the Peter G. Asiaf Field House is a beautiful gymnasium where our intercollegiate basketball teams play their home games. Aside from games and practices, there are three basketball courts running cross court as well as a full length court running through the middle of the gymnasium. The gymnasium is also home to many indoor intramural activities. Massasoit also has a beautiful 25-yard pool available for our students, staff, and their guests when lifeguards are on duty. Both the weight room and racquetball court are located on the lower level of the Field House.

**HEALTH SERVICES**

The Health Services offices on the Brockton and Canton campuses provide preventative and primary health care, health education and health counseling. **For more information please call: (508) 588-9100, Brockton, ext. 1450, Canton, ext. 2451.**

**SHUTTLE**

The inter-campus shuttle is a great way to explore both the Brockton and Canton campuses without driving yourself. The shuttle departs the Brockton Campus from the front entrance of the Student Center (next to the BAT bus stop) and departs the Canton Campus from the front entrance of the Administration building. The shuttle also provides full, handicap access and runs on a regular schedule.

**VETERANS CENTER**

The Veterans Center is located in the lower level of the Student Center Building on the Brockton campus. It is open to all military members, veterans, and their families attending Massasoit Community College. The center has full-time staff to help you with educational/financial benefits including VA certifying; a dedicated Veterans Counselor with 20 years of military service; a lounge area; computer workstations and a multimedia-enabled conference area, all in a relaxing, collegial atmosphere. **For more information please call (508) 588-9100, ext. 1477 or go to www.massasoit.edu/vets.**
Student Life

Massasoit recognizes that significant learning activity occurs outside the classroom. Through the Student Life Office, we provide a comprehensive program that includes lectures, movies, and other social and cultural activities. Each activity offers the opportunity for student leadership and participation. For more information please call: (508) 588-9100, ext.1482.

Athletics Hall of Fame

Massasoit student-athletes and coaches have consistently been singled out for academic and athletic merit through league, All Region and All American recognition. For this reason, the Massasoit Athletic Hall of Fame was founded with the purpose of recognizing the extraordinary accomplishments of individuals and teams. The first class of honorees was inducted on June 11, 2010.

For more information regarding the Athletic Hall of Fame, stop by the Athletic Department or go online to www.massasoit.mass.edu, click on Athletics and navigate your way to the Athletic Hall of Fame.

Did You Know?
To be eligible for intercollegiate athletics, students must be enrolled in at least 12 credit hours/semester and maintain a 2.0 gpa.
ONLINE LEARNING

Online Learning provides a way for you to customize your learning experience to match your educational goals, learning styles, and scheduling constraints. At Massasoit, Online Learning students enjoy the convenience and flexibility of learning at a distance and at a place and time that’s right for them. Every Online Learning course meets or exceeds the academic rigor and content found in traditional college courses while using proven interactive teaching strategies to engage and involve learners. For more information please call: (508) 588-9100, ext. 1650.

WEEKEND COLLEGE

In an effort to continue to meet the needs of our busy students, Massasoit offers courses on the weekends on Friday evenings, all day and evening on Saturday and Sundays until 5 p.m. This allows students the ability to match educational goals, learning styles and scheduling constraints.

ENGLISH AS A SECOND LANGUAGE

The E.S.L. Department offers advanced college-level courses that have been specifically designed for students whose first language is not English and who need to develop their English proficiency to a level appropriate for college courses in an American college curriculum. Students who wish to take E.S.L. courses must be evaluated by the E.S.L. Department before enrolling. For more information please call: (508) 588-9100, ext.1790.

COMMONWEALTH HONORS PROGRAM AT MASSASOIT

The mission of the Commonwealth Honors Program at Massasoit Community College is to provide enriched educational opportunities for academically talented and highly motivated students. We encourage the recognition of these students as an integral part of our college community. Faculty is encouraged to mentor these students, to assist in the transfer of these students to four-year colleges and universities appropriate to their needs, and to provide opportunities for independent study as well as small peer classes for students who can work above the collegiate norm to develop individual skills. For more information please contact Professor Susan Martelli (508) 588-9100, ext.1836 or visit H113 on the Brockton Campus. For the Canton Campus please call Professor LaFontaine (781) 821-2222, ext. 2838 or visit Room 311B.

“Prior to coming to Massasoit Community College, I was such a different student. The faculty here have pushed me and helped me. At Massasoit, you can really connect with your professors.”

Financial Aid

Massasoit Community College participates in a number of federal, state and institutional financial aid programs to assist you in financing the cost of your education.

Financial aid offered includes grants (free aid), scholarships, student loans, student work study (on-campus employment), and veterans benefits.

We encourage you to determine your eligibility for financial assistance by filing the FAFSA (Free Application for Federal Student Aid) each year available at www.fafsa.gov.

How and When to Apply

• File the FAFSA (Free Application for Federal Student Aid) - available at www.fafsa.gov beginning January 1 for the following summer, fall and spring semesters by our Priority Deadline of April 15 for the Fall (September) semester, and November 15 for the Spring (January) semester.

• Apply for financial aid as soon as possible after January 1. Do not wait to be accepted into a degree program by the Admissions Office. However, in order to meet the financial aid priority deadline of April 15 or November 15 you must also have submitted your Massasoit admissions application by these dates.

• Provide additional documentation, if requested.

Priority Deadlines: April 15 for the Fall (September) semester, and November 15 for the Spring (January) semester. Financial aid funds are awarded year round on a first-come, first-served basis. If you apply after the Priority Deadline, your aid might not be available in time to satisfy your semester bill. There is also no guarantee that grant funds will be available if you miss the Priority Deadline. Student loans are available to students who miss our priority deadline.

Eligibility Requirements

• You must be accepted into a degree program or eligible certificate program at Massasoit Community College and meet the eligibility requirements established by the federal and state guidelines. Additional information is available on our website under Financial Aid.

• You may be enrolled full time (12+ credits) or part time (3–11 credits) and still be eligible for financial assistance.
