Lawrence Wasko  
Chair, Engineering and Electronic Technologies

Date: 3/9/18

**Objectives:**

1. To attract qualified students to Massasoit Community College and University of Massachusetts Dartmouth.
2. To promote and facilitate an efficient transition of transfer students between institutions.
3. To provide specific information and guidelines for transfer students.
4. To encourage academic coordination and cooperation, including curricular reviews, on-site visits, and joint academic advising for students attending Massasoit Community College.

**Stipulations and Guarantees:**

1. University of Massachusetts Dartmouth guarantees acceptance of Massasoit Community College students who complete the Engineering Transfer program with a cumulative GPA of 2.5.
2. Transfer students who complete the prescribed courses as designated in the attached articulation agreement with a C- or better will be guaranteed that sixty seven credits will transfer and be applied to the University of Massachusetts Dartmouth Civil Engineering baccalaureate degree.
3. University of Massachusetts Dartmouth guarantees a Massachusetts tuition credit for Massasoit Community College students who complete the Engineering Transfer program with a cumulative GPA of 3.0. The tuition credit is renewable if GPA is maintained 3.0 or better.

**Mutual Responsibilities:**

1. Both institutions agree to maintain current listings of the course equivalencies. This will be the responsibility of the two designated representatives.
2. Massasoit Community College and University of Massachusetts Dartmouth will incorporate a summary of this agreement into official publications and websites.
3. Massasoit Community College and University of Massachusetts Dartmouth agree to encourage qualified students to participate in this program by providing information, advising and other assistance required to foster a seamless transition from the two-year institution to the four-year institution.

**Review/Revision:**

Both institutions will periodically review this agreement. Substantive changes in the courses or program of either institution will require a review of this articulation agreement. Revisions will be implemented with one-year notice prior to termination of the agreement.

\*Students should speak with the Engineering advisor at UMass Dartmouth about proper selection of Humanities and Social Science courses. Ideally, you will want to choose courses from the following UMass Dartmouth departments to meet these requirements: ARH, ECO, HST, HUM, MUS, PHL, PSY, SOA, SSE. Use UMass Dartmouth's equivalency database (<https://webapps.umassd.edu/transfers/>) to see how these courses transfer.

\*\*Students should speak with the Engineering advisor at UMass Dartmouth about proper selection of the Lab Science course. Ideally, you will want to choose a course from the following UMass Dartmouth departments to meet these requirements: any BIO, BNG, CHM, MLS, or MAR course; or any PHY course numbered above 150. Use UMass Dartmouth's equivalency database to see how these courses transfer (<https://webapps.umassd.edu/transfers/>).
